YABBOES GIRL SAVES THE DAY!

THE EDITORIAL DEN,

Wow, fourteen issues! 250 pages of sexy, slinky furry fun, horses, cats, rabbits, et al... portrayed in a fashion to give a belly ache to the heartburn of the bible belt.

To those with a complete set, I'd like to say thanks. You're weird, but I love ya! To those who would complain about these forays into the furry underground, I have just one thing to say....HAH! You smug, self righteous slime! I happen to know all about that weekend with a border collie in Ohio! In fact, I've got pictures! And tapes! Lots of tapes! Nyaah hah hah! You're ruined! Ruined do you hear me! Just like you ruined Little Jimmy! But now you'll pay! And Payyyyyyy! Ah hah hah hah.....!

But I digress.

Hope you enjoy this issue. Keep those submissions coming, to;
